Our customers' and employees' safety is our top priority and we have, therefore, implemented our pandemic plan. We are following the guidelines set forth by the Centers for Disease Control (CDC) and as those guidelines evolve, so will our plan.

According to the CDC, the best way to prevent COVID-19 is to avoid being exposed to this virus. Social distancing may be an effective and appropriate behavior.

Please be as safe as possible as we work through this unexpected challenge. We appreciate the relationships we have with each of our customers and we will endeavor to provide you the banking services you need and expect.
